### WHY AM I COMMITTED IN FIGHTING FEMALE GENITAL MUTILATION?

I am committed in fighting FGM because I think it is very important to fight this issue because if we don't, who will? And besides that, it's a deed that you're doing for others.

### WHAT DO I LIKE MOST ABOUT BEING AN ACTIVIST?

I like the interactions with people from different backgrounds and I also find it very interesting hearing the different stories and perspectives everyone has on FGM. And last but not least, that we are all committed to do one thing...and that's fighting to END FGM!

### WHAT DO I DREAM OF FOR GIRLS' AND WOMEN'S RIGHTS IN THE FUTURE?

My dream is the ultimate empowerment of women and that every young girl/woman should know their worth and that they can achieve ANYTHING as long as you put your mind to it. So young girls and women keep chasing & achieving your dreams, cause I'm sure you will get there! #womenempowerment
