WHY AM I COMMITTED IN FIGHTING FEMALE GENITAL MUTILATION?

I come from a country where 70% of the women are mutilated and I witnessed the harmful consequences of this practice. I don't want my generation or the next ones to undergo the same pain.

WHAT DO I LIKE MOST ABOUT BEING AN ACTIVIST?

I like educating people about FGM and debunking preconceived ideas. Moreover, I find it empowering being part of a movement that fights for women's rights.

WHAT DO I DREAM OF FOR GIRLS' AND WOMEN'S RIGHTS IN THE FUTURE?

I want to see new policies implemented to respect each women's will, especially when it comes to be able to do whatever we want with our own bodies.
